Story of Hope – Christmas Parties

We are so thankful to everyone who donated either money or gifts for the Christmas Parties that took place during this month. We received donations from individuals, church groups, work groups; Equifin. Kievietskroon and many others contributed towards making the day very special for each child.

In total **610** presents were given to children at 9 parties which took place in the community.

Paddling children

The Academy for Canoe Development has negotiated with a top international coach to assist with the designing of an integrated development coaching program for all ages, with the aim of producing future Olympic paddlers.

Istvan Szabo, our visiting coach from Hungary, with junior development paddlers.

Applications have been submitted to various resources and we remain positive and continue praying that sufficient funds will be raised to enable us to continue our work.
